1688.tech's Proposal

At 1688.tech, we've reimagined the experience of 1688.com, tailoring it specifically for Africans. Recognizing the unique needs of businesses and individuals across the continent, we've created a platform that bridges the gap between local demand and direct access to trusted suppliers.

Our mission is simple: to empower Africans with affordable, reliable, and seamless access to a world of products, enabling both personal and business growth.

■ About Company

1688.tech is an innovative e-commerce platform that brings the best of 1688.com to Africa. .

We connect African businesses and individuals to trusted suppliers globally, offering affordable products with a seamless shopping experience

■ Introduction

1688.tech was born out of the need to adapt the powerful framework of 1688.com into a platform that resonates with the African market. By integrating a user-friendly design, affordable pricing, and localized support, we've created an ecosystem that prioritizes the needs of African businesses and shoppers.

■ Our Vision And Mission

At 1688.tech, our mission is to empower Africans by providing direct access to affordable, high-quality products and fostering business growth. We aim to revolutionize online shopping across Africa, creating opportunities, enhancing convenience, and driving sustainable economic growth for individuals and businesses alike.

■ What We Do?

At 1688.tech, we bridge the gap between African consumers and global suppliers.

Our platform allows users to shop directly from trusted manufacturers, offering a seamless, affordable, and reliable shopping experience. Whether you're a small business or an individual, we provide access to a wide variety of high-quality products from across the world.

■ Our Services

01

Direct Supplier Access: We connect you directly with verified global suppliers, ensuring you receive the best prices and quality products. No more intermediaries, just a seamless, cost-effective shopping experience.

02

Affordable Products: At 1688.tech, we provide access to a wide range of high-quality products at prices that are tailored for the African market. Whether you're buying in bulk or for personal use, we ensure that affordability and quality go hand in hand.

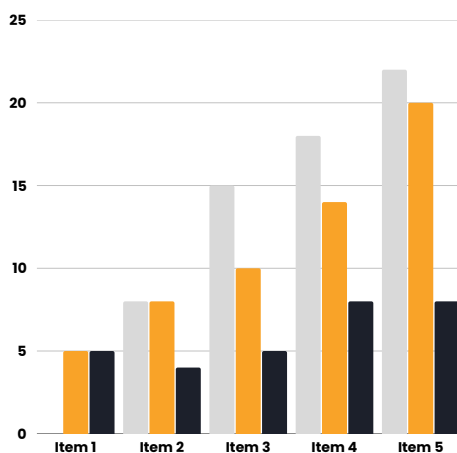

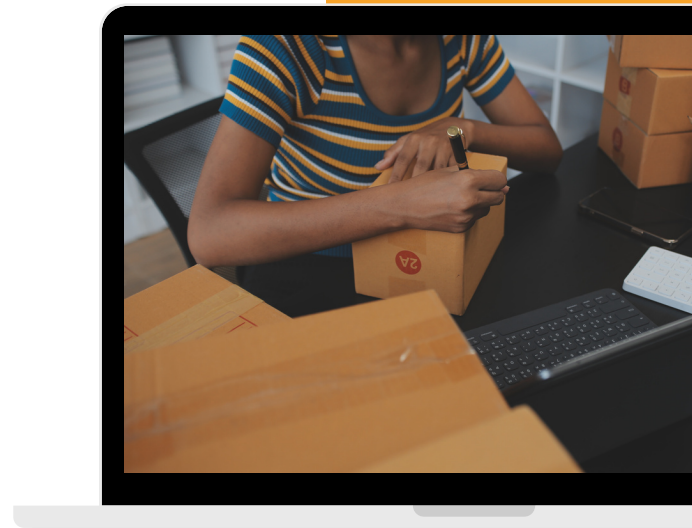

03

Tailored for Africa: Our platform is built with the African consumer in mind. We offer localized features, customer support, and a smooth shopping experience that accommodates the unique needs of businesses and individuals across the continent.

Project Description

1688.tech is a tailored e-commerce platform designed specifically for the African market. By connecting consumers and businesses directly with trusted global suppliers, we provide access to affordable, high-quality products

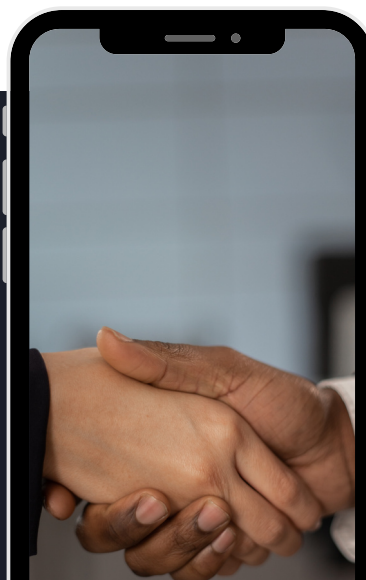

Our goal is to revolutionize online shopping in Africa by offering a seamless, reliable, and cost-effective platform that supports both individual buyers and small businesses.

Project Overview

1688.tech is an e-commerce platform that connects African consumers and businesses with trusted global suppliers. Offering affordable, high-quality products, our platform is designed to streamline shopping and drive growth in the African market.

"Great opportunities,
like the best deals,
take time to
discover."

Thank You!

We look forward to the opportunity to collaborate and make this project a great success together.
