To Whom It May Concern

I am pleased to recommend **NURATU KAREEM** for the position of kitchen helper.

She has worked under my supervision as a kitchen helper for Bohemia restaurant in Czech Pavilion at Expo 2020 for 6 months and proved to be a model employee where professionalism and courtesy is concerned. She is very conscientious about her duties as her work demonstrates excellent attention to detail which is a rare quality in these times.

She has been rotated in many positions within her present role and has shown a tremendous awareness of everything. From cleaning activities to managing to prepare all ingredients for dishes, she had been an absolute asset to us over the months.

Again, I strongly recommend her for kitchen helper position as I believe in her ability to be a credit to her employers.

If you have any questions, please feel free to contact me.
