Proposed Site Assessment

To better understand the school's needs and provide the most suitable recommendations, we respectfully request the opportunity to visit Blooming Green School for a facility assessment.

This visit will enable us to:

Evaluate existing sports facilities, if any

Assess available space for future development

Identify areas requiring renovation or improvement

Recommend practical and cost-effective solutions

Develop a customized proposal tailored to the school's objectives and budget

Following the assessment, we will be pleased to provide detailed recommendations and a quotation for your consideration.

Conclusion

Dashshang International Limited believes that investment in sports infrastructure is an investment in the future of students and the continued growth of the institution. We would be

honored to partner with Blooming Green School in creating a safe, modern, and inspiring sporting environment for its students.

We appreciate your consideration and look forward to the opportunity of visiting your school and discussing how we can support your sports facility development goals.

Yours faithfully,
